

Extra Foam

The efficacy you need.

Extra Foam

PROPERTIES AND INDICATIONS:

PREVIO EXTRA FOAM is an alkaline detergent with a high foaming capacity and a great degreasing power. It has been designed specifically to be used in the cleaning of all types of livestock and poultry facilities. For its cleaning capacity, PREVIO EXTRA FOAM can be used in premises and lodgings destined to raising all types of livestock and poultry, utensils, livestock and poultry equipment, animal transportation, etc.

PACKING SIZES:

Packings of 27, 220 and 1100 Kg.

WAY OF USE:

It is recommended to use a foam generating gun. Use a > 1 % dilution for foam application.

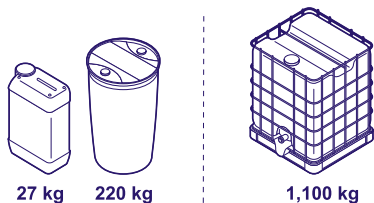

Use a 0.5 - 2 % dilution for other applications.

Apply a uniform layer of foam starting at the lowest part of the walls and continue in horizontal stripes upward, trying to avoid foam accumulations. Finally treat the roof. Allow to act for a minimum of 20 minutes and a maximum of one hour. Using the high-pressure lance of the equipment, rinse the product starting with the roofs and continue vertically down to the ground.

COMPOSITION

Anionic tensioactives	5-15%
Sequestering agent	<5%
Sodium hydroxide	5-15%
